MEMBER INTERESTS

Please check any items of interest.

Volunteer

There are opportunities to participate in the Branch's work and community activities. Some projects are very short term and take a minimal commitment. Please join us and lend your expertise and time. Check those activities below that interest you. A member will contact you.

- Programs - Volunteers are needed to bring refreshments to certain meetings.
- Scholarship - Volunteers on the Scholarship Committee review and update materials each year and assist in the dissemination of information to the public. They assist in proposing policy changes to scholarship requirements for submission to the Executive Committee. They review applications submitted and select the student recipients for each scholarship.
- Web/Social/Media - Anyone active on social media can help by monitoring and updating our Facebook page, and, perhaps, expanding our presence, according to their interest and ability. Updates to the Branch Calendar (through Google) and the website (a WordPress site) require only basic computer skills.
- Yearbook - Volunteers proofread the yearbook before publication in late summer each year.
- Betty Sullivan Memorial Library – Volunteers needed to deliver materials to the YWCA library.

Join a Special Interest Group

There are a number of active groups to address specific interests of members and provide additional social opportunities. Most meet monthly September through May or June.

Check all that interest you, even if you have participated in previous years and want to continue.
